**"SULPHOLINE LOTION."**—An Eminent Means of Curing SKIN DISEASES. There is scarcely any eruption but will yield to "Sulpholine" in a few days, and commence to fade away, even if it seems past cure. Ordinary pimples, redness, blotches, scurf, roughness, vanish as if by magic; whilst old, enduring skin disorders, that have plagued the sufferers for years, however deeply rooted they may be, "Sulpholine" will successfully attack them. It destroys the animalcules which cause these ugly, irritable, painful affections, and always produces a clear, healthy, natural condition of the skin. "Sulpholine" Lotion is sold by most Chemists. Bottles, 2s. 9d.

**LIVER COMPLAINTS.**—DR. KING'S DANDELION & QUININE LIVER PILLS (without Mercury). THE BEST REMEDY FOR BILIOUSNESS, STOMACH DERANGEMENT, FLATULENCE, PAINS BETWEEN THE SHOULDERS, BAD APPETITE, INDIGESTION, ACIDITY, HEADACHE, HEARTBURN, and all other symptoms of disordered liver and dyspepsia. Acknowledged by many eminent surgeons to be the safest and mildest pills for every constitution.

In Boxes at 1s. 1d., 2s. 6d., and 4s. 6d. Sold by Chemists and Medicine Vendors throughout the world.

Prepared by Jas. Roche, London. Specially valuable for the residents abroad and travellers.

**TARAXACUM & PODOPHYLLIN.**

Prepared only by J. Pepper, London. This Fluid combination, extracted from medicinal roots, is now used instead of blue pill and calomel for the cure of dyspepsia, biliousness, and all symptoms of congestion of the liver, which are generally pain beneath the shoulders, headache, drowsiness, no appetite, furred tongue, disagreeable taste in the morning, giddiness, disturbance of the stomach, and feeling of general depression. It sets the sluggish liver in motion, very slightly acts on the bowels, giving a sense of health and comfort within 24 hours. It is the safest medicine. Taraxacum and Podophyllin is a fluid made only by J. PEPPER, Bedford Laboratory, London, whose name is on every label. Bottles, 2s. 6d. and 4s. 6d. Sold by all Chemists. A most valuable and essential medicine for India, Australia, the Cape, and Colonies generally.

## THE CHINA REVIEW.

PUBLISHED, BI-MONTHLY.  
TENTH YEAR.

THIS Review, which was intended to meet the wants of many students of Chinese, has been discontinued. The Review, which was intended to meet the wants of many students of Chinese, has been discontinued. The Review, which was intended to meet the wants of many students of Chinese, has been discontinued.

The Review department receives special attention, and endeavours are made to present a careful and concise record of literature on China, and to give critiques embodying sketches of the most recent works on such topics. Authors and Publishers are requested to forward works to the Editor, China Review, care of China Mail Office.

The Notes and Queries are still continued and form an important means of obtaining from and diffusing among students knowledge on obscure points.

The Correspondents' column also affords further and greater facilities for the interchange of views and discussion of various topics.

Original contributions in Chinese, Latin, or any of the Modern Languages are received. The papers are contributed by the members of the various Consulate, the Imperial Customs, and Hongkong Services, and also by the Missionary bodies among whom a high degree of Chinese scholarship is as a rule attained. Amongst the regular contributors are Dr. Chalmers, Eitel, Bretschneider, Hirth, and Hume, Professor Legge, and Messrs Balfour, Watterson, Stott, Phillips, MacIntyre, Groot, Jamieson, Fisher, Kopsch, Parker, Playfair, Gilchrist, and Fison, all well-known names, indicative of the high scholarship and thorough mastery of their subjects.

The Subscription is fixed at \$5.00 per annum, postage included—payable in advance.

Orders for binding volumes will be promptly attended to. Address: "Manager, China Mail Office."

## OPINIONS OF THE PRESS.

"All our learned societies should subscribe to this scholarly and enterprising Review."—*Northern Christian Advocate* (U.S.).

"The China Review is a most excellent table of contents."—*Celestial Empire*.

"The Publication always contains subjects of interest to sojourners in the East and the present issue will hold favourably if not advantageously comparison, with preceding numbers."—*Celestial Empire*.

"This number contains several articles of interest and value."—*North-China Herald*.

"The present number of this periodical opens with a review of the Foreign Trade of China during 1880. This is rather a new departure for a publication which professes to be purely literary; but considering the comparative small circulation it enjoys at present among the commercial communities of China, we hail the innovation as likely to recommend the Review to the notice of those who take an interest in the North-China Herald."

"A substantial and reliable Review which all students of China and the Chinese would do well to peruse."—*Overland Monthly*.

"The November-December number of the China Review contains some very valuable material, but the few articles are very varied in quality. The opening paper by Mr Herbert A. Giles on 'The New Testament in Chinese' treats of a question that must necessarily be of great importance in the eyes of all missionaries."

"Mr E. H. Parker's 'Short Journeys in Szechuen' are continued, and a goodly instalment of these travels in the interior of China is given. Mr F. H. Balfour contributes a paper of some length entitled 'The Empire of China' which is read with genuine interest by students of Chinese history."

A few short notices of New Books and a number of Notes and Queries, some of which 'On Chinese Oaths in Western Borneo and Java' might appropriately have been placed under a separate heading, complete the number."—*H.K. Daily Press*.

"The Review's Oriental Record contains the following notice of the China Review:—The present publication, judging by the number now before us, is intended to occupy a position, as regards China and the neighbouring countries, somewhat similar to that which has been filled in India by the *Celestial Empire*. The great degree of attention that has been bestowed of late years upon the investigation of Chinese literature, antiquities, and social development, has led to the accumulation of important stores of information, rendering some such channel of publication as is now provided extremely desirable; and contributions of much interest of the kind are not only from the members of our foreign consular services, the Chinese army and navy, and the missionary body, among whom a high degree of Chinese scholarship is now generally to be obtained, and who are so generally represented in the first number of the Review by papers highly creditable to their respective authors."

Some translations from Chinese novels and plays are marked by both accuracy and freshness of style; and an account of the career of the Chinese poet-statesman of the eleventh century, Su Tung-po, by Mr E. C. Bower, is not only historically reliable, but is also distinguished by its literary grace. Besides notices of new books relating to China and the East, which will be a useful feature of the Review, if carried out with punctuality and detail, we are glad to notice that 'Notes' and 'Queries' are destined to find a place in its pages also. It is to be hoped that this opening for contributions on Chinese subjects may evoke a similar degree of literary zeal to that which was displayed during the lifetime of its predecessor in the field, and that the *China Review* may receive the support necessary to insure its continuance.

## Visitors' Column.

We have instituted as an experiment a VISITORS' COLUMN, which we trust will prove successful, and be found useful. To it will be relegated from time to time such items of information, lists, tables and other intelligence as is considered likely to prove valuable to persons passing through the City, and in connection with which we have opened a SELECT HOTEL AND BUSINESS DIRECTORY, applications for enrolment into which we are now ready to receive.

## Hongkong Rates of Postage.

(Revised January 1st, 1882.)

In the following Statements and Tables the Rates are given in cents, and are, for Letters per half ounce, for Books and Patterns, per two ounces.

Newspapers over four ounces in weight are charged as double, treble, &c., as the case may be, but such papers or packets of papers may be sent at Book Rate. Two Newspapers must not be folded together as one, nor must anything whatever be inserted except book fold Supplements. Printed matter may, however, be enclosed, if the whole be paid at Book Rate. Prices Current may be paid either as Newspapers or Books.

Commercial Papers signify such papers as, though Written by Hand, do not bear the character of an actual or personal correspondence, such as invoices, drafts, copied music, &c. The charge on them is the same as for books, but, whatever the weight of a packet containing any printed or written paper, it will not be charged less than 5 cents.

The sender of any Registered Article may accompany it with a Return Receipt on paying an extra fee of 5 cents.

The limit of weight for Books and Commercial Papers to Foreign Post Offices is 4 lbs. Patterns for such offices are limited to 8 ounces, and must not exceed these dimensions: 8 inches by 4 inches by 2 inches.

all of the same weight, to addresses in Hongkong, Bangkok, or the Port of China, may deliver them to the Post Office unregistered, the postage being charged to the sender's account. Each batch must consist of at least ten.

Boxholders may also send Patterns to the same places in the same way. Envelopes containing Patterns may be wholly enclosed, if the nature of the contents be General, as he may consider necessary, and approved by him. Printed Circulars may be inserted in such Pattern Packets.

PARCELS.—The public is reminded that there is no such thing as Parcel Post to Europe, &c. Much trouble and disappointment are caused by persistent attempts to send small valuable articles through the Parcel Post, and similar presents are continually being refused, the senders having often spent more in Postage than would have paid the freight by steamer. No exception can be made on such parcels of the value of Stamps obliterated before the nature of the contents was discovered.

Local and Indian Parcel Post.

1. Small Parcels may be sent by Post at Book Rate between Hongkong and any of the British Post Offices in China, as well as to Japan, Macao, Peking, the Straits Settlements, Ceylon and India. They must not exceed the following dimensions: 2 feet long, 1 foot broad, 1 foot deep, weigh more than 1 lb., but not be smaller than 3 in. by 2 in. Such parcels may be wholly closed if they bear this special endorsement: PARCEL, CONTAINING NO LETTERS, but any parcel may be opened by direction of the Postmaster General. In the case of Parcels for India a declaration of contents and value is required, a printed form for which is supplied gratis. The Registration of Parcels for India and Ceylon is compulsory.

2. The following cannot be transmitted: Parcels insufficiently packed or protected, or liable to be crushed (as tins, boxes, &c.), Opium, Glass, Liquids, Explosive substances, Matches, Indigo, Dye-stuffs, Ice, Meat, Fish, Game, Fruit, Vegetables, or whatever is dangerous to the Mails, or likely to become offensive or injurious in transit.

3. Parcels are not a general rule forwarded by Private Ship, but by Contract Mail Packet. To India they are forwarded by the P. & O. and Indian Mail Packets only, to Ceylon by P. & O. only. No responsibility is accepted with regard to any parcel, unless Registered, and then only to the amount of \$10.

4. The public are cautioned not to confound these facilities with a Parcel Post to Europe, &c., which does not exist.

It is necessary that the following rules be strictly observed.

1. No Letter or Packet, whether to be registered or unregistered, can be received for Postage if it contains gold or silver money, jewels, precious articles, or anything that, as a general rule, is liable to Customs duties.

2. This Regulation prohibits the sending of Patterns of dutiable articles, unless the quantity sent be so small as to make the sample of no value.

3. The limits of weight allowed are as follows:—Books and Papers—to British Office, 5 lbs.; to the Continent, &c., 4 lbs. Patterns—to British Office, 5 lbs.; if without intrinsic value; to the Continent, &c., 8 oz.

Indemnity for the Loss of a Registered Article.

The Post Office is not legally responsible for the safe delivery of Registered correspondence, but it is prepared to make good the contents of such correspondence lost while passing through the Post, to the extent of \$10, in certain cases, provided:—

1. That the sender duly observed all the conditions of Registration.

2. That the letter was securely enclosed in a reasonably strong envelope.

3. That application was made to the Postmaster General of Hongkong immediately the loss was discovered, the envelope being invariably forwarded with such application unless it also is lost.

4. That the Postmaster General is satisfied that the loss occurred whilst the correspondence was in the custody of the British Postal administration in China, that it was not caused by any fault on the part of the sender, by destruction by fire, or shipwreck, or person not in the employment of the Hongkong Post Office.

5. No compensation can be paid for more damage to fragile articles such as portraits, watches, hand-mills, &c., which reach their destination, although a broken or deteriorated condition.
